

Matheus Lopes Trindade

FULL STACK DEVELOPER

PROFILE

Full Stack Developer experienced in building robust and efficient solutions with TypeScript, JavaScript, React, Next.js, C# and Python. I currently work at Lojas Torra modernizing web applications and enterprise integrations, focused on performance, scalability and excellent user experience. As a freelancer through Trindade Developer since 2021, I have delivered responsive interfaces, automations, REST APIs and end-to-end projects for clients across different industries.

PROFESSIONAL EXPERIENCE

Full Stack Developer, Lojas Torra

JUL 2025 — PRESENT

- Built an internal portal to support operational needs and reduce direct ERP dependency.
- Integrated and migrated from Linx ERP to SAP ERP.
- Developed portal modules to control processes and meet company business rules.
- Development with TypeScript, React, Next.js and REST APIs.

Full Stack Developer, Trindade Developer (Freelance)
